~Accessibility Consultant & Design Services

Innovative access solutions for the home and workplace.

*In dwelling live close to the land
In dealing with others be gentle and kind;
In speech be true, In business be competent;
Work for social justice.*

MISSION STATEMENT

THE ROBINHOOD CORPORATION seeks to provide state-of-the-art accessibility modifications and consultation services. Our goal is to offer products and services that promote healthy, dignified, and independent living for all our customers, and to provide innovative access solutions that are cost effective and incorporate universal design and green building practices.

THE ROBINHOOD CORPORATION supports the disability community by giving back a portion of it's profits to research and charitable organizations which also promote dignity, independence and equality for people with disabilities.

INNOVATIVE ACCESS SOLUTIONS
